

## ALL SAINTS' CIRCULAR WALK [TQ 355 589]

3½ mile circular walk from All Saints' churchyard, through Riddlesdown to Sanderstead and returning through Kings Wood:

- *fairly flat with two stiles*
- *varied habitats, over chalk hills and through clay with flint fields.*
- *carpet of bluebells in spring time*
- *look out for deer, foxes and badger setts in Kings Wood*
- *can be muddy so boots are recommended*
- *limited parking in Church Road.*

1. Pass through the churchyard to the gate at the rear and turn left along Crewe's Lane passing into the made up section. Continue across Lingsfield Road to the bridleway and make your way through this path which is sometimes very muddy.
2. At a meeting of footpaths turn right over the stile and across the field heading for the radio mast to another stile. Pass over this stile into playing fields, Skirt the pitches keeping close to the hedge on your left and leave via a small path through trees (opposite the radio mast). Turn left in front of the cottages along the tarmac and concrete drive to Tithepit Shaw Lane. Cross this road to the Private Road and opposite the Court Farm sign bear right by the footpath sign.
3. Keeping the fence on your right turn right along the enclosed footpath with the school playing field on your right. Emerging onto the common land of Riddlesdown turn right. Crossing a bridleway follow the path to a wide gap in the hedge. Continue in the same direction across another field then follow the path diagonally right to the sign boards and a kissing gate. The path takes you to the back of Atwood School where the path then passes between the school and houses out onto Lingsfield Road.
4. Cross the road at the traffic lights into Sanderstead Court Avenue. After approximately 100 yards turn right then left into Lime Meadow Avenue and at the end of this road turn right into Kings Wood.
5. Turn left in the woods follow the wide path ignoring the fork then turn right at the next wide 'riding' path. Follow this path straight through the woods to Kingswood Lane. Turn right then immediate left taking the signed "footpath to Farleigh Common". Passing the stables and the bungalow turn right and follow this path to Hamsey Green recreation ground. Cross diagonally right, keeping the pavilion on your right, to the paved path between houses and keeping straight on cross Crewe's Avenue into Crewe's Lane. Turn left then right into Ward Lane and All Saints' Church is on your left.
